

SCOTTSSLUFF HIGH SCHOOL

K-12 Education Pathway

Impact the World by Changing Lives!

Students completing the K-12 Education Pathway will be prepared for entry level positions at public and private school facilities and entry into 4 year degree programs. While in the academy, students will learn information about psychology, developing and implementing lessons, curriculum and content, psychological and physical needs of students, special education requirements, and instructional techniques. Students will have the opportunity to work with industry professionals and participate in service learning projects. Students will have the choice to participate in FCCLA and have the opportunity to attend state and national competitions pertaining to their content area.

HUMAN SCIENCES & EDUCATION
